

2007 Collaborative Self Assessment

Thank you for taking a moment to complete the following survey regarding the Community Partnership's Collaborative Initiative. Over the last several years, we have been so encouraged by the increase in participation and have seen the results of the hard work and dedication of members as you consistently exceeded your goals time and again.

The Partnership would like to ensure that we support you in the most effective way possible; therefore we would like your input about the level and quality of service you receive through the community collaborative initiative. Your responses will be kept anonymous and confidential; however we will ask that you identify the collaborative groups in which you are a member.
